

Year 2 Autumn Term

Plastic Pollution

This is me. Can I really protect the planet?

Literacy

Writing

- Character Descriptions
- Persuasive writing
- Diary entry
- Leaflets
- Posters

SPaG

- Increasing vocabulary
- Using capital letters correctly
- Practise writing letters using the correct orientation and starting point
- Practise writing letters in the correct size for upper case and lower case letters
- Using full stops correctly
- Using finger spaces between words

Reading Stamina

- Develop a love of reading for pleasure
- Listen to a variety of books including fiction and non-fiction
- Understand the difference between fiction and non-fiction books
- Read age-appropriate books with confidence, blending words silently before reading them aloud
- Reading aloud using expression
- Begin to infer meaning from their reading and be able to answer questions about the material

Mathematics

- Number and place value (within 10)
- Count to 10 forwards and backwards from any given number
- Count read and write numbers to 10 in numerals and words
- Given a number identify one more, one less
- Identify and represent numbers using objects, using the language one more, one less, fewer, equal to, more than, less than
- Represent and use number bonds with addition and subtraction facts within 10
- Read, write and interpret mathematical statements
- Add and subtract 1 digit numbers including zero
- Solve one step problems using addition and subtraction
- Recognise 2D and 3D shapes

Physical Development

Mr Goodchild will be delivering PE to Class 1 this year. He will be focussing on movement and building the skills to play team games.

Personal, Social and Emotional Development

- Healthy Lifestyles
- Feelings and Emotions
- Healthy Relationships
- Environment and how we can protect it

Communication and Language

- To listen carefully
- To speak with clarity and confidence
- To hold conversations and debates

Computing:

- Problem solving and logical thinking

Modern Foreign Languages:

- Understanding simple one word commands
- Responding with simple one word answers

Expressive Arts and Design

Art: Our focus will be on bottle top art which will link to our plastic topic and also our class book. Sea creature outlines will be decorated using bottle tops. We will also be studying the Italian Arcrimboldo self-portraits and attempting to create our own.

Design & Technology: This will see class 1 making instruments which will be used to accompany music and songs.

Understanding of the world

Science

Autumn 1- Seasons - recording the weather across the seasons.

Autumn 2- Animals including humans

History: We will be learning about Thomas Flamank and how he decided to lead the rebellion of the Cornish people which resulted in the march to Blackheath. Considering our topic based on plastic pollution, we will then consider how different our current day protests are to those in the days of Thomas Flamank.

Geography: We will be exploring our local area. This will involve creating maps of landmarks in Ludgvan that we discover on our explorations. We will be thinking about the human and physical landmarks and how these compare to different local environments.

50 things to do before you are 11

- Roll down a really big hill
- Run around in the rain
- Make a mud pie
- Explore inside a tree
- Hunt for bugs

Homework

- Read Daily
- Spellings after next half-term
- Homework grid after next half-term

Visitors and Trips

- Visit to Mrs Patricks farm
- Trip to St Ives
- Trelawney's Army singers (Hopefully!)
