We hope you have all had a lovely break. It is hard to believe the children are now starting their second half term at Ludgvan school. The children have enjoyed learning all about themselves. This half term is always extremely busy! We will be looking at different celebrations and the food associated with each celebration.

Please remember to send your child in with a water bottle. We will send them home every Friday. The children can choose a new library book every Wednesday (please ensure that it is returned by the following Wednesday).
